

# WAITING LISTS

## TOR BAY HARBOURS

### PROCEDURES FOR APPLICATION OF WAITING LIST DEPOSITS

- 1) The waiting list deposit is **£25**. On receipt of the appropriate fee, your name will be placed on the relevant list. Please make cheques payable to 'Torbay Council'.
- 2) The waiting list entry will be dated the same day the deposit is received.
- 3) The deposit is **NOT REFUNDABLE OR TRANSFERABLE** but will be credited to the mooring fees when a mooring is obtained.
- 4) Applicants will only be given one offer of a mooring. Subject to Minute 619, the applicant will then be deleted from the waiting list.
- 5) When a mooring is offered and accepted, it can only be allocated to the person whose name is on the waiting list. The mooring is **NOT TRANSFERABLE**.
- 6) When a mooring is offered and accepted and no boat is immediately available, then the applicant **must pay the full fee** for the size of facility applied for, and then has three months to place a craft on the mooring.
- 7) Paignton Harbour, Brixham Harbour and Torquay Inner Harbour waiting lists are banded dependent on length of boat. It is therefore important that applicants are certain about the size of mooring required. The length entered on the waiting list form will not be adjusted up at a later date.
- 8) Separate waiting lists exist for boat park spaces and Cadet spaces in Torquay Harbour.
- 9) Applicants who live locally will be given priority over those applicants who live outside the Torbay area.
- 10) Each year applicants **must** confirm their wish to stay on the waiting list for moorings, or their details will be deleted from the records.
