LIBRARY SERVICES

The Library and Leisure card

Save on a swim, trip to the gym or race into athletics with the new 'Library and Leisure card'.

The card is for individuals and families on low incomes, and for looked after young people and their carers. Just bring proof of your entitlement to benefit* to a leisure centre open night, or to any Torbay library, and join to get leisure and learning benefits for you and your family. If you are a foster parent, simply let us know so that we can join you up.

The Library and Leisure card has 3 benefits:

- You can join and get discounts for swims, athletics or gymnastics at local sports and leisure centres.
- You can use the library service to hire DVDs, videos and music, or borrow books by your favourite authors or on all subjects under the sun.
- Take advantage of free Internet and email access from your local library. If you have not used computers before, you can even try free ICT taster sessions.

If you are already a member of the library service in Torbay, let us know.

Each venue's normal terms and conditions apply.
