Actions from previous minutes

LS to recirculate minutes and Terms of Reference
IT will continue to search of conflict of interest document

Terms of Reference - LS will add to the Terms of Reference that they will be reviewed annually

Administrative Support - IT has managed to secure some admin cover for this meeting but is likely to be on an every-other basis.

Actions arising

Membership - IT will contact AC as IDTS lead to invite him to this meeting.

Cross country connection policy – LS will look at copies from elsewhere.

Service updates:

Drug Intervention Project (DIP) – 50% of clients are IDTS. Working on developing referral from to reduce DIP workers burden. Thurlow referrals are low but IOM should increase this. It was noted that neither John or Jamie are invited to IOM group currently. JD mentioned that referrals from police could increase numbers greatly particularly when issuing on the spot fine – EDP could deliver training on this.

JATIS – 3rd of 5 beds comes on line but date delayed slightly. 10 bed property is being renovated currently. Abstinence based property is full. Not using rent deposit scheme as access to funds is too slow – needs to be reviewed with LS and Executive Head of Communities, Torbay Council.

ENTERPRISE PROJECT – RR updated group with progress. Buildings due to start imminently, but last 2 boards have been cancelled. There has been positive engagement with the community in the area.

PROBATION – LP will be covering Prolific and Priority Offenders (PPO)/ DRR until the end of August. There was a query as to whether PN should also be attending as well

The agenda will be updated with additional points / services.

LS presented Housing Link worker for Torbay Voice advert for distribution to group.
